COBYDARER@GMAIL.COM

8908 OXBRIDGE CT

RALEIGH, NORTH CAROLINA

OBJECTIVE

To obtain a data analytics position that utilizes my mathematical and analytical skills to contribute to data-driven decision making.

EDUCATION

Appalachian State University, Boone NC

Bachelor of Science, May 2026

Mathematics major with a concentration in general math; Statistics minor; Sports Analytics Certificate

Overall GPA: 3.97

Academic Achievements:

- Chancellor's List (3.85 or higher) 8 of 8 semesters
- 4.0 GPA in major and minor classes
- Pi Mu Epsilon, National Mathematics Honors Society, inducted spring 2026

Other Education

Certificate, August 2025 – Python Basics for Data Science, IBM

Certificate, June 2026 – The Complete SQL Bootcamp, Udemy

Relevant Course Work:

Intro to Data Management and Visualization Fall 2024

Used R throughout the semester to visualize and present data. For final project, used R to create graphs of NHL data over a ten-year span.

Intro to Statistical Modeling Spring 2025

Used various statistical models including linear regression and regression trees. Also utilized hypothesis testing and cross-validation techniques.

Intro to Modeling and Analysis in Sports Fall 2025

Applied various models and statistical techniques to sports specific data.

WORK EXPERIENCE

Summer 2026

Technology Operator, Durham Bulls, Tampa Bay Rays AAA Affiliate

Responsible for running the Trackman system and other related aspects during games.

Summer 2025	Internship with Prep Baseball Report, Kansas City Collecting data from baseball tournaments utilizing Trackman, reporting relevant statistics about players and teams, and assisting the Prep Baseball scouting staff.
Spring 2025	Internship with ASU Baseball Team Collecting data from the App State baseball team's practices and games, learning and utilizing Trackman and R.
2023 - Current	ASU Outdoor Programs Work at and manage the rock-climbing wall at the student recreation center.
2021 – 2024	Sunset Slush Independently responsible for operating an Italian ice cart at seasonal events, including managing money and serving customers.
